Additional brands which may be associated with these products are Arani Systems, Elation Lighting/Aclaim Lighting, Elemental LED/Diode LED, Energreen Technologies, DLC Dongbu Lighttech Canada (Fawoo Canada), MG Lighting, Green Image Tech, HITLIGHTS, Inspired LED, JESCO LIGHTING GROUP, LED Cool Lights, LED Inspirations, MODA Light, NSL National Specialty Lighting, Phantom Lighting Systems, RAB Design Lighting, SGI Lighting, Solid Apollo -Ledsense Technologies, Sunbound Technologies, Tivoli, Tokistar, TOTEC, U Technology, UV Concepts/Nova Flex, ZNetVision (DBA LED Quant), Alloy LED, Core Lighting/REVOTE LED, Klus, LED Wholesellers.com, General LED. Only products bearing control number 3141557 below the certification mark are covered by this notification.

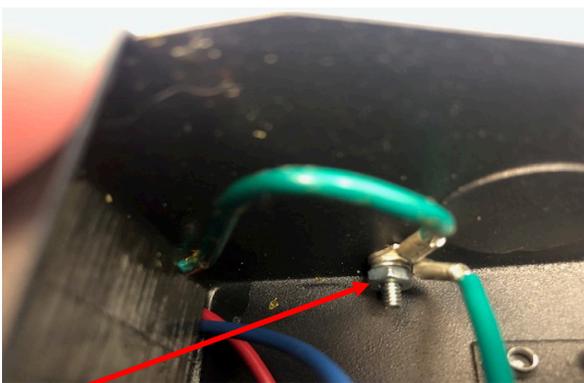

#### Hazard Involved

Product is subject to possible loss of connection to Earth ground should the Earth-bonding screw become loosened. Users of product should take great care not to attempt to loosen or remove this screw, otherwise product ceases to comply to safety standards. Connection to Earth ground is essential to prevent any possibility of fire or shock in the case of damage to the product's chassis or internal components. Please contact manufacturer with any questions.

#### What To Do

Usage should be immediately discontinued and returned to the point of purchase. Distributors and retailers should discontinue sales and return inventories to their suppliers. / L'utilisation doit être immédiatement abandonnée et retournée au point d'achat. Les distributeurs et les détaillants devraient cesser les ventes et les stocks de retour à leurs fournisseurs.
